

## **Library and Information Management Studies @ HKU SPACE**

**Dr S.M. Lam**  
**Associate Head, College of Life Sciences and Technology**  
**HKU SPACE**

# School of Professional and Continuing Education The University of Hong Kong (HKU SPACE)

Established in 1957, HKU SPACE is the continuing education arm of the University of Hong Kong

Our Vision

*Lifelong Learning for a Better Future*

Total enrolments in 2019/20 (full time plus part time)

*89,284 (full-time equivalent: 22,504)*

## Library and Information Management Studies (LIS) @ HKU SPACE

Promote well-structured library and information management education to nurture local tenants for the industry

One of the long-history and leading institutions in providing library and information management training programmes

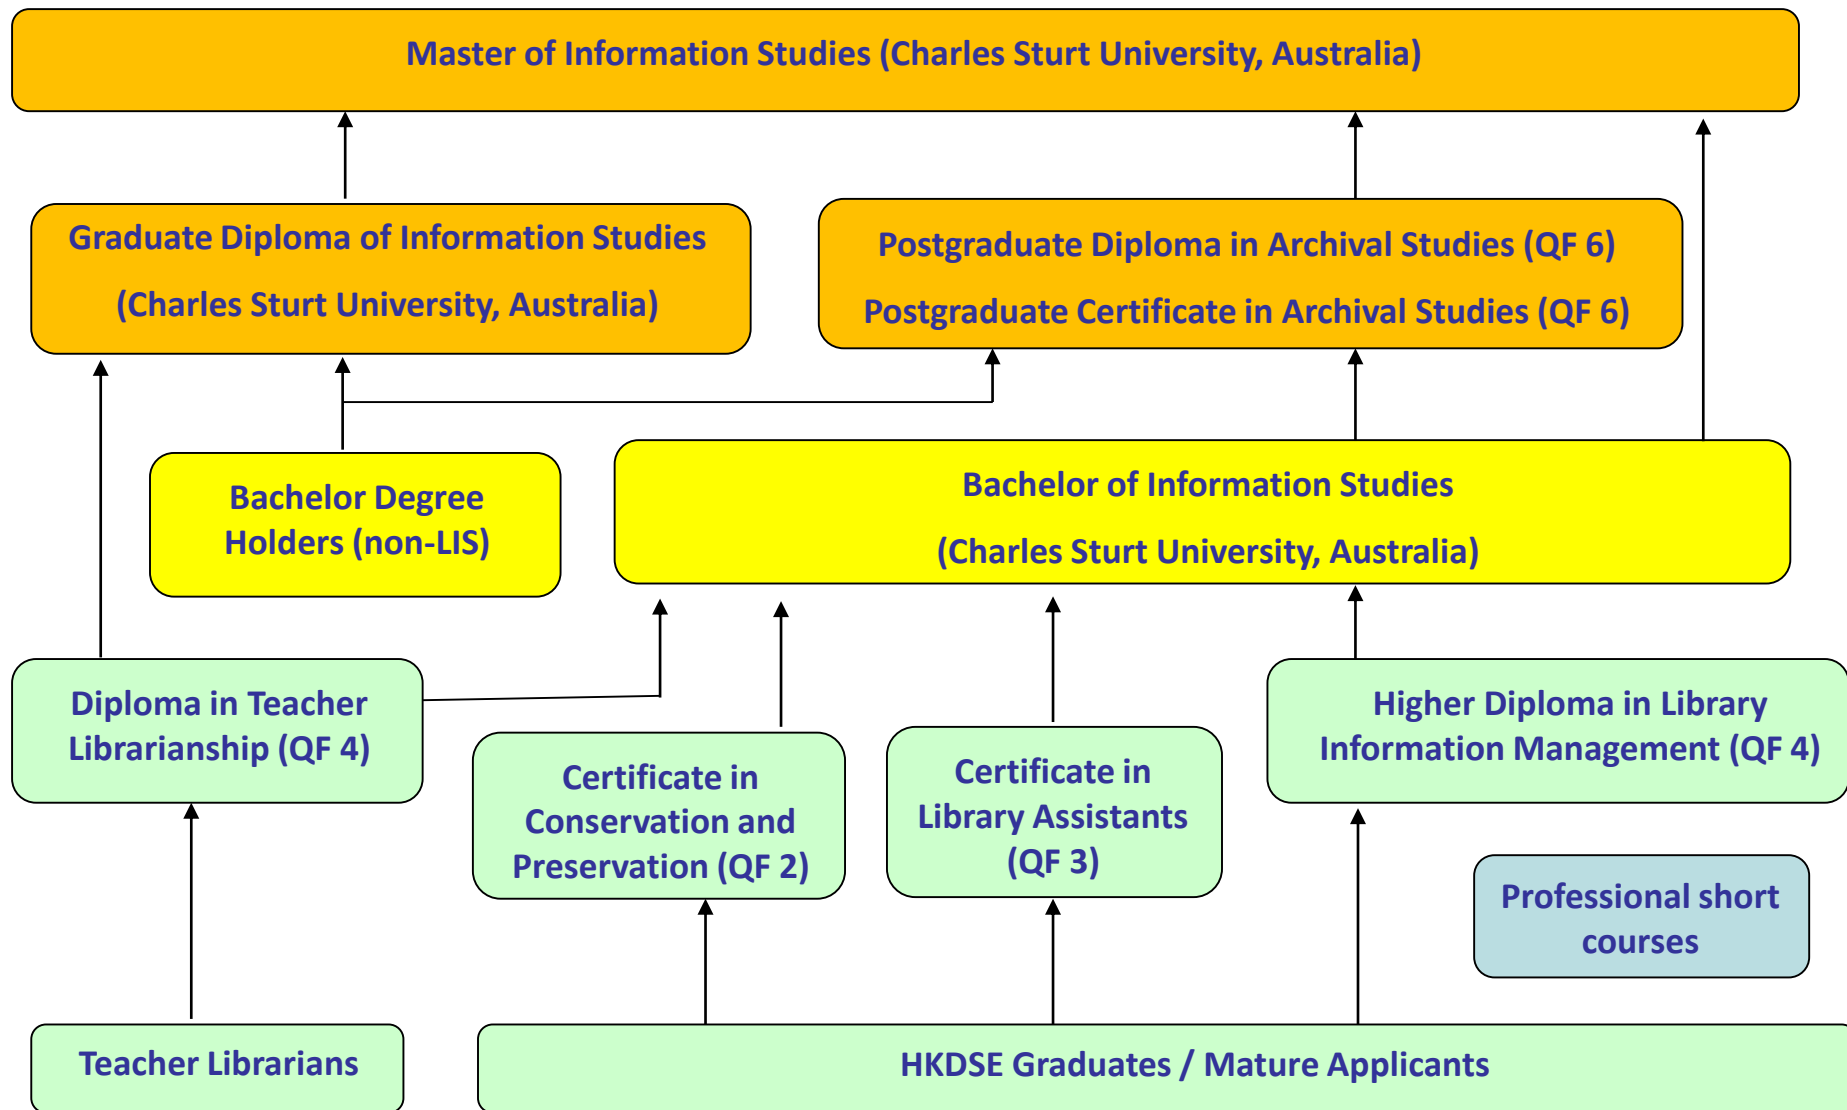

A strong pool of professional teachers and rich connection with the industry

Diversified study areas to support student with different learning needs

Well-structured pathway for academic articulation

Most of the programmes are registered at Qualification Frameworks (QF) and Continuing Education Fund (CEF) reimbursable

## Articulation Pathway for LIS

# LIS Diploma and Certificate Programmes @ HKU SPACE

## Higher Diploma in Library and Information Management

*This programme looks at how information is organised, described, accessed and used with the main purpose of connecting people to the information that they need.*

*The programme consists of two themes: Library Management and Information Management. The Library Management theme provides a comprehensive training in library management, while the Information Management theme includes some information technology related subjects.*
